**Welcome to the 2008 - 2009 School Year!** We had our first advisory council meeting on Thursday, September 4, 2008.

I have the pleasant task of thanking Todd Clarke for the huge contribution he has made over the past year as Chair of the Advisory Council.

I'll try not to embarrass him too much, but I can't let the moment pass without referring to the good work that last years board completed under his leadership:

- Installed the shade structures
- Raised money for future projects via Pastabilities dinners,
- Worked on safety issues for the school
- Reached our former St. Mary's Alumni
- Provided a special meal on Student Appreciation Day
- Fulfilled a majority of the items on the teacher's "wish list"
- Assisted with raising the flagpole
- Worked with Capital Campaign
- Worked with the City of Albuquerque on Surrounding Development Issues
- Assisted Sister Marianella and Mr. Salcido with the registration process and other issues during the year
- Awarded St. Mary's first ever Alumni of the Year Award to Senator Pete Domenici

I would like to thank everyone on last years board for all of their hard work.

**Please help me welcome the new members who were elected to the board during the Open House:**

Marquetta Tachias, Timothy Krebs, Jacqueline Woodcock, Doris Monsalve, and James Rawlinson.

The board meetings have moved for now. We will meet the Second Thursday of each month in the Art Room. Parents are welcome to attend. If you would like to address the board, please send me an e-mail prior to the meeting so I can allocate time for your topic and include you on the agenda.
