

Saint Mary's Newsletter

Wednesday, February 24, 2010

Dear Parents,

The children have presently completed two days of ITBS Testing. Up to this point we can say that it appears everyone is focus and working hard. We wish them good luck. You will be receiving the "parent report" around the end of March. Hopefully all the children good work will be kept up to the end.

The Elementary students had stations on Tuesday, February 23, 2010, at 2:00pm. The Mid-School stations will be held tomorrow, Thursday, February 25, 2010, at 1:30pm. Next week schedule will be:
Thursday, March 4, 2010, at 9:00am and Mid-School, March 4, 2010, at 1:30pm. Know that you are welcome to attend stations with us at any time.

As you have noticed, when the old radiators in the hallways and stairwells were removed in order to make way for our new heating system, we were left with some vacant---not so appealing---spaces. In order to improve this our teachers and students are decorating them and hope to accomplish two purposes; (1) beautify the area and secondly have it serve in an educational capacity. Maybe when you visit us you can take a look.

Let us each pray for each other during this Holy Season of Lent. Praying for each other will help assure us of a more Blessed and Holy Easter.

Thank you and God bless you,

Sister Marianella, S.C., Principal
